

S&P AFFIRMS ANADOLU EFES' INVESTMENT GRADE RATING

August 02, 2016 – Standard and Poor's (S&P) affirmed the long-term corporate credit rating and outlook of Anadolu Efes as "BBB-/Stable".

The rating affirmation came as a result of Anadolu Efes' ability to continue to satisfy S&P's liquidity stress test in line with its methodology. In its review report, S&P mentions that the liquidity position of Anadolu Efes benefits from large hard currency cash balances, limited short-term debt maturities and ability to generate a significant portion of its earnings in foreign currencies.
