

ANNOUNCEMENT REGARDING THE DEVELOPMENTS ON RUSSIA AND UKRAINE

February 24, 2022 – We are closely following the developments between Russia and Ukraine, where our company has beer operations.

In Ukraine, we have three breweries in the cities of Chernihiv, Kharkiv and Mykolaiv and we have around three thousand employees. As always, our first priority is to ensure the safety of our employees. All possible precautions have been taken in this regard. In addition, all the measures have been taken to ensure the safety of our production facilities and infrastructure. Accordingly, as of this morning, our breweries were shut down and the sales operations were halted. The share of our Ukraine operation in Anadolu Efes sales revenues is 5% and its share in EBITDA is 2% as of FY2021.

In our Russia operation, our production and sales activities continue.

Our guidance for 2022, which we announced together with our 2021 financials, were based on the conditions as of the date of publication. Therefore, we will be closely following the developments in the coming days. Depending on the developments, there may be some changes in our 2022 guidance.

Developments will be duly announced.
